

A&P STORES OFFER REAL

State food budget is a problem there is an A&P Food Store near you that offers a solution. The answer as we see it is to make your food dollars buy more—and your The store is the place to do it! For 80 years we weary and there is very little or to work, but where is there any little or to work, but where is there any little or employment? operated our stores in the belief that lower prices, and more good foods were what Mrs. American Housewife wanted. Millions of thrifty housewives agree with us and that is why today our efficient storekeeping methods, our purchases direct from producer, and other savings that we make are reflected in lower prices. Go into your Learby A&P Food Store today—it offers you real sav-

so long as he prefers to remain I believe that if men were given about this important subject

can lead a horse to water, but cannot make him drink. Many opponents of the Townsend Plan are just like that horse, only worse, because they refuse to be led to the trough of information where they may drink freely of it, thereby discovering for themselves the real truth and real purposes behind the great

Townsend Movement. "Observer," in his article, stated that the Townsend Plan was just another plan and would solve nothing. Why don't he tell us just why it would not solve anything? In the next breath he says "what is needed is a plan by which every able-bodied person wanting work will be able to get ' He shows his complete ignorance about the plan in that statement, because that is one of the

real purposes of the plan. It is true, as he says, that we become prosperous by what we do but not by what we do not do. But what we do cannot be done pockets of employes, who are the of the Townsend Plan
